iPhone/Ipad Wireless

UNIVERSITY OF THE INCARNATE WORD.

Wireless networks for both employees and students are available using your UIW credentials.

1. To begin connecting from your iOS device open your WiFi Settings.

2. Select either the uiw-employees or uiw-students network.

3. Enter your username (do not include @student.uiwtx.edu or @uiwtx.edu) and password and press Join. After the initial connection your device should remain connected.
